## The Easy Way to Pay

The State Bank of Alcester Check Card is the safe, easy and convenient way to pay for purchases from your checking account. The Check Card, with the distinctive MasterCard™ logo, is accepted at millions of locations worldwide.

## Works Like a Check

Use your Check Card whenever you would normally write a check. Whether you're making a cash withdrawal or purchasing an item, the amount is deducted from your checking account.

## It's So Easy

- It's faster than writing a check – no need to show ID.
- Use your Check Card to shop online, over the phone or down the street.
- Get cash from any ATM bearing the Shazam® or Cirrus® symbol.
- Save your receipts and post the transactions to your checking account register.
- All Check Card transactions appear with detailed descriptions on your monthly checking account statement.
- Whether you sign the receipt or use your PIN number and keypad, the money comes out of your checking account.

**The Check Card is accepted at millions of locations worldwide.**

## Safer Than Cash

- In the event that your Check Card is lost or stolen, notify the bank immediately (within two business days) and your maximum liability is \$50, regardless of the amount of fraudulent transactions.
- Less money in your wallet is less risk of loss.
